

# Z Nicolazzo

Assistant Professor of Trans\* Studies in Education  
Department of Educational Policy Studies and Practice  
University of Arizona College of Education

## RESEARCH AGENDA

### Gender discourses in higher education:

*How discourses of gender mediate the lives of transgender students, faculty, and staff*

#### Areas of Focus

##### LIVES & EXPERIENCES

The lives and livelihoods of transgender students, faculty, and staff in higher education

*The gender-expansive perspectives of education are the connective thread between all areas of focus.*

##### TEACHING & RESEARCH METHODS

Transgender-centered ways of thinking and doing research

##### INTERSECTIONALITY

How various other identities influence transgender students, faculty, and staff (e.g., race, sexuality, disability)
