What are intern assignments from day 1? at own school full time with supervision 2 hours weekly

Please briefly describe what experiences an intern in your district would receive: We offer interns a comprehensive range of experience in CUSD. Interns manage a caseload of identified special education students, run multidisciplinary evaluation team meetings for initial and re-evaluations, conduct and interpret a wide range of assessments, provide and/or consult on academic and behavior interventions, collaborate with campus staff, run

social-emotional groups, and provide staff and/or parent trainings.

Describe professional development and training opportunities at site. (Check all that apply): regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked: Yes

How many hours do interns typically accumulate throughout the year: 1500

What other information should intern candidates know about your district or internship experience that is not listed here? We are anticipating two types of intern experiences -- one will involve being alone at a smaller school with 2 hours of supervision weekly, and the other will involve working side-by-side a supervising psychologist at one of our bigger campuses. We have opportunities at elementary school, high school, and possibly junior high.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: No

Do you require students to apply to the district ahead of time: Yes

If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit: Please apply here: <https://www.cusd80.com/Page/78516>. Portfolio materials are welcome but not required for an interview.
