Please briefly describe what experiences an intern in your district would receive:

CUSD interns will engage in a variety of activities, including conducting psychological assessments, providing individual counseling or leading small skills group, collaborating with teachers and parents, developing intervention plans, leading multidisciplinary evaluation team (MET) meetings, and assisting in implementing school-wide initiatives to support students' mental health and learning needs. The CUSD internship provides a practical learning environment to apply theoretical knowledge while receiving mentorship and guidance to develop essential skills required for a career in school psychology.

Describe professional development and training opportunities at site.:

- regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)
- intern group supervision (in addition to individual supervision)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked: Yes

How many hours do interns typically accumulate throughout the year: 1500

What other information should intern candidates know about your district or internship experience that is not listed here?

We anticipate having an opportunity for one intern to work independently at a smaller elementary school with weekly off-site supervision. We anticipate a second internship opportunity that will include working side-by-side a supervisor at a secondary site.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: No

Do you require students to apply to the district ahead of time: Yes

If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit:

When CUSD's listing is posted (we anticipate by mid-January), the application will be available here: <https://chandler.tedk12.com/hire/index.aspx>
