Please briefly describe what experiences an intern in your district would receive

The internship program at Flagstaff Unified School District strives to provide a wide range of experiences, from preschool-age children through high school. Our model includes placement for half the week at one site throughout the year with rotations through other sites the other half of the week. The primary goal is to support the intern in developing independence at the primary assignment while gaining experience during the 9 week rotations with different student populations. Interns will receive at least 2 hours of face-to-face supervision from their primary supervisor and additional supervision from rotation site supervisors.

Describe professional development and training opportunities at site:

regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked: Yes

How many hours do interns typically accumulate throughout the year: 1200

What other information should intern candidates know about your district or internship experience that is not listed here?

FUSD will consider the preferences of the intern when developing the details of the training program.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: No

Do you require students to apply to the district ahead of time: No

If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit: The internship position will be posted on the district's website: <https://www.fusd1.org/Page/9793>
