International Studies in Education
Interest Survey

Are you an undergraduate or graduate student at the University of Arizona?

The College of Education at the University of Arizona is exploring interest in developing a new program in International Studies in Education. Your responses to this survey will support us in developing a program based on students’ interests and career goals in the field of International Education. **Your responses are anonymous.**

Please complete the short Qualtrics survey by **May 20th**. It will only take 7-10 minutes.
