Please briefly describe what experiences an intern in your district would receive:

The Pendergast Elementary School District's School Psychology Internship program is designed to prepare graduate students to assume the role of a Certified School Psychologist. Through various professional development activities, consistent supervision, and ample direct student and family contact, interns receive a comprehensive experience in quality school

psychology training which engages them in psycho-educational assessment, consultation, and family-school collaboration. Interns in our district have the opportunity to experience and to practice the role of a full time school psychologist throughout their internship year. We seek to tailor our internship experience based on the needs of our selected interns. Our district has four self-contained programs for students with moderate to severe needs, and our interns would each gain experience in working with at least two of our programs throughout their internship year.

Describe professional development and training opportunities at site. (Check all that apply): regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked: Yes

How many hours do interns typically accumulate throughout the year: 1200

What other information should intern candidates know about your district or internship experience that is not listed here?

We truly seek to structure the internship experience around the needs of our interns. Our goal is for our interns to feel prepared to take on the role of a full time school psychologist by the end of the school year. We are seeking highly motivated students with a passion for the work that we do!

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: No

Do you require students to apply to the district ahead of time: No

If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit: N/A
