Please briefly describe what experiences an intern in your district would receive: Interns would have the opportunity to work in close proximity with a Ph.D-level school psychologist at one high school of 1100 students in a small school district that is very supportive of school psychologists. Interns will have the opportunity to complete psychoeducational evaluations for potential eligibility areas, to hold eligibility determination meetings, to complete individual and group counseling supports, to assist with establishing and coordinating an MTSS process and to provide consultation support to teachers

and school staff. Interns will also have the opportunity to provide and receive training and professional development. Finally, interns will be offered the opportunity to provide supervision to externs within the district.

Describe professional development and training opportunities at site. (Check all that apply):

- regularly scheduled professional development for intern level trainees (targeting trainee skills)
- regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked: Yes

How many hours do interns typically accumulate throughout the year: 1500  
What other information should intern candidates know about your district or internship experience that is not listed here? Sahuarita Unified is located approximately 22 miles south of The University of Arizona. We are a growing district comprised of 9 schools in a small suburban community. Our district administration is very supportive of the comprehensive role of the school psychologist. The intern will work closely with their supervisor who will be based on the same campus but will be working on assigned duties throughout the district.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: Yes

Do you require students to apply to the district ahead of time: No  
If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit:  
<https://www.applitrack.com/sahuarita/onlineapp/>

Students will be asked to complete an application and submit a resume and cover letter.
