- 9:00 AM-12:00 PM Interviews (7 interview slots)
- 1:00-3:00 PM Interviews (5 interview slots)

Is the internship funded: Yes

If so, what is the expected salary range? \$34,149.00

How many interns do you anticipate hiring this year: 2

What are intern assignments from day 1? side-by-side at supervisor's school full-time

Please briefly describe what experiences an intern in your district would receive:

The job of Psychologist Intern is done for the purpose/s of assisting students who experience physical, mental, social or emotional difficulties; identifying difficulties and promoting improvement through evaluation, intervention and/or consultation; referring and/or coordinating with community service agencies; planning developing and evaluating programs; and establishing appropriate interventions within the school setting.

DUTIES & RESPONSIBILITIES: (These duties are a representative sample; position assignments may vary.)

Assesses students' strengths and weaknesses within and in consideration of multiple environments for the purpose of determining student's present level of academic and functional performance and developing recommendations and/or placement. Consults with teachers, parents, other personnel and/or outside professionals for the purpose of providing requested information, developing plans for services and/or making recommendations. Coordinates and communicates with community agencies including medical, judicial, social service and mental health services for the purpose

of determining appropriate treatments, etc. to meet the needs of specific students. Facilitates meetings (e.g. IEP conferences, parent meetings, in-service, etc.) for the purpose of developing plans and/or providing information regarding students' functional goals. Intervenes in occurrences of inappropriate behavior of students for the purpose of assisting students in modifying such behavior and developing successful interpersonal skills. Participates in various meetings (e.g. parent conferences, in-service training, site meetings, etc.) for the purpose of receiving and/or presenting information and/or meeting credential requirements. Prepares documentation (e.g. evaluations, observations, progress, contacts with parents, teachers and outside professionals, etc.) for the purpose of providing written support, developing recommendations and/or conveying information. Researches resources and methods (e.g. intervention and treatment techniques, assessment tools and methods, community resources, etc.) for the purpose of determining appropriate approach for addressing students' specific needs. Supervises interns, practicum students and others for the purpose of monitoring performance, providing for professional growth and achieving overall objectives of school's curriculum. Other duties as assigned.

Describe professional development and training opportunities at site:

- regularly scheduled professional development for intern level trainees (targeting trainee skills)
- regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)
- intern group supervision (in addition to individual supervision)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked: Yes

How many hours do interns typically accumulate throughout the year: 1500

What other information should intern candidates know about your district or internship experience that is not listed here?

We have a true side by side model. One of the positions will likely be for high school (with opportunities available for a range of other ages). The other will be for a PK-8 campus.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: Yes

Do you require students to apply to the district ahead of time: Yes

If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit:
