What other information should intern candidates know about your district or internship experience that is not listed here?

Vail is located southeast of Tucson and is a pre-K through grade 12 school district with approximately 14,087 students. School psychologists in Vail are active participants at their sites. They collaborate routinely with site administrators as well as special and regular education staff. Vail School District broadly implements RTI not only to assist with special education related decision but as a larger part of our district wide instructional model. This district wide RTI model has been implemented since 2002.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: No

Do you require students to apply to the district ahead of time: No

If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit: Vail School District encourages potential applicants to apply to the district prior to the intern fair. However, we welcome the opportunity to interview intern candidates who have not yet completed their applications.
