What are intern assignments from day 1? at own school full time with supervision 2 hours weekly

Please briefly describe what experiences an intern in your district would receive: Interns will experience all of the NASP components that are necessary for National Certification, and all experiences required by their university.

Describe professional development and training opportunities at site. (Check all that apply):

- regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)
- intern group supervision (in addition to individual supervision)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked: Yes

How many hours do interns typically accumulate throughout the year: 2000

What other information should intern candidates know about your district or internship experience that is not listed here?

The District was an early adopter of a model of strengths and weaknesses for learning disabilities based on CHC theory. A formalized model is used to assist accuracy in identification.

In addition, the District currently utilizes a process to help understand the impact of diversity on cognitive results that is receiving national attention. Cultural-linguistic factor considerations are an emphasis in all levels of the evaluation process.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: No

Do you require students to apply to the district ahead of time: Yes

If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit:
